Please Pray for People in Need!

☆ **The Otero/Bernal Family:** There was a tragic accident in their home on Tuesday, April 6th. They were having their kitchen repainted, but the painter forgot to disconnect the gas from the stove/oven. The kerosene ignited and there was a huge explosion and fire that destroyed their home and belongings. Luckily none of the family was in the house, but the painter was severely injured. He had 3rd degree burns on his hands and is waiting for skin grafts.

The family is covered by insurance and hopes to have everything replaced in time. But their biggest problem is that the boy's routine has been disrupted and they don't understand what happened to their old home. We will see what we can do to help them. Please keep them in your prayers.

☆ **Mary Ann Ryba's Uncle Joe Stryk:** had a light stroke, but soon hopes to be back at home. Please pray for him.

☆ **Michael Bellacera:** became suddenly weak and called 911. His heart was not working 100% and the doctors are trying to find the best way to help him. Pray for him.

Please pray for the Deceased:

✝ **Gerardo Cañales Loustaunau:** died on March 30th, 2010. For several months he had been visiting doctors to find out what his problem was, but no one seemed to have an answer. It was a great shock to all of us when he died. He was only 42 years old. His Memorial Mass was on Saturday, April 10th, 2010. Please pray for his wife **Laura Dominguez** and his step daughter **Stephanie**.

"Address Service Requested"

My Dear Friends,

A lot of things happened in our community as I was getting ready to write this news letter. First of all, our dear friend, Gerardo Loustaunau died suddenly. He was only 42 years old and I guess no one knew how sick he really was. He never liked to complain and he always tried to make you feel better.

Then after Easter we learned that our parishioners, the Otero family, lost their house in a fire. Thank God no one was hurt. But it's a stressful time for all of them.

How do we respond when sad things happen? Do we see the world as a cold dark place where bad things happen all the time? Do we doubt that God cares about us or our world? For me, I think that when we cry, God cries with us. As God loves us, so God asks us to love each other; to take care of each other. I know God's love is real, because even when bad things happen, I see God's love respond through us.

Peace!
