My Dear Friends!

WOW! Summer went by fast! I think that is because I was busy this summer. I had a few weddings to do, and some travel. I had a few projects that I wanted to get done this summer. I thought I would have lots of time. But something kept on coming up; getting in the way. Now summer is done and gone, and my projects are not even started!

Do you think God is mad at me? I didn't finish what I planned. I could have done more work. I don't think I was lazy – I did a lot of work; not just everything I wanted to get done. I think God is OK with me. We try hard to do good work, and we get some or most work done; not just everything. Really, there is nothing we can do without God. It is God who gives us the ideas to get things done! Let's see what God has planned for us! We will try to cooperate more, so that God can get more done!

Peace!

Fr. Len
